Smart India Internal Hackathon 2022

ACTIVITY REPORT

About SIH 2022

Smart India Hackathon is a nationwide initiative to provide students with a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. The first four editions SIH2017, SIH2018, SIH2019 and SIH2020, SIH2021 proved to be extremely successful in promoting innovation out-of-the-box thinking in young minds, especially engineering students from across India.

With the rules and guidelines of Smart India Hackathon prescribed by AICTE and MHRD-Central Government of India, our college has taken an initiative and organized the **Idea Hackathon** on **12th March, 2022** (First Round-Software Category), **14th March, 2022** (Hardware Category) and **Smart India Internal Hackathon 2022** on **19th March 2022** (Final Round Software Category). The college SPOC Dr. Anita M. Pujar (Head, CSE) has conducted an internal hackathon in the college campus with the support and guidance of management and Principal of the College to finalize the total best 10 teams + 5 waitlisted teams.

RULES GIVEN FOR CREATING THE IDEA DOCUMENT PPT

1. It is strongly recommended that the teams must focus on submission of few quality solutions with a well thought approach to stated problem(s).
2. The idea document PPT should be compiled strictly as per the prescribed format as mentioned on www.sih.gov.in.
3. The first slide will include – Ministry/Organization Name, Problem Statement (also include PS Number), Team Name, Team Leader name and College Code.

SINGLE-POINT-OF-CONTACT [SPOC]

Hardware And Software Edition

Assistant Professor,

Computer Science & Engineering Department

GUIDELINES GIVEN FOR REGISTRATION OF A TEAM FOR INTERNAL HACKATHON

1. Only team leaders will be responsible for registering the team with the SPOCs.
2. Teams willing to register for both Software and Hardware categories shall submit separate registration forms for each category to concerned SPOC.
3. Team details should be submitted by Team leaders by 7th March, 2022 to SPOC. No registrations will be entertained after the said deadline.
4. Only the registered teams will be allowed to present the mentioned problem statements to the panel of judges during the Internal Hackathon.
5. All members of the registered teams presenting the idea to the jury will receive the participation certificate at the Internal Hackathon. The registered teams not reporting to Internal Hackathon for evaluation will not get a participation certificate.

PROCESS FOLLOWED FOR INTERNAL HACKATHON

1. Idea hackathon Round 1 Software Category : 12th March 2022
2. Internal Hackathon Hardware Category : 14th march 2022
3. Internal Hackathon Round 2 Software Category : 19th March 2022

The detailed schedule was notified through Notice Boards and Flyer. There was a separate Panel of Judges for evaluation of Software Category and Hardware Category and the

evaluation proceeded in parallel. Panel of judges comprises Academicians and Industry Experts. All the teams were facilitated by Expert Mentors. The team leader (with the members) had demonstrated the idea to the Judges. The team leader has ensured availability of required document(s) while presenting it for evaluation during the Internal Hackathon. The Judges have reviewed and selected the 15 best teams (7 teams for Software Edition and 8 teams for Hardware Edition). These 15 teams are nominated to SIH 2022. The decision of judges was final and binding on all teams. Software Category Internal Hackathon was conducted in offline mode whereas Hardware category Internal Hackathon was conducted in Online mode. Mr. Nagesh Pathrut (Director, Eshwar Solution Pvt. Ltd.) evaluated and guided the teams that participated in the first round of software category. Mr. SriGanesh Manikrao Sultanpurkar and Mr. Rohit Kalghatgi evaluated teams of Hardware category in an online mode. The judges from industry were invited for the second round of software category.

Information of Judges:

Name of the Judges	Designation of Judges	Organization of Judges	Mobile No of Judges	Email ID of Judges
Pramod Chidanand Paratabadi	Salesforce Developer Support Engineer	Salesforce	9158038227	pramodp151999@gmail.com
Dhanraj Mukund Pardeshi	Technology Analyst	Infosys Ltd.	7057526077	dhanraj.m.pardeshi@gmail.com
Shreyas Basavaraj Awate	Programmer Analyst	Jumbotail Technologies pvt. Ltd. Bangalore	8975549808	shreyasawate@gmail.com
Rohit Snhrikant Kalghatgi	Associate Director	USB Business Services Pvt.Ltd	9370013454	rkalghatgi@gmail.com
SriGanesh Manikrao Sultanpurkar	CEO, TryitFirst Pvt. Ltd	TryitFirst Pvt. Ltd	9676402092	ssriganesh@gmail.com

Vipin Jalla	Software Senior Engineer	Dell Technologies, Pune	88550 8733	jallavipin@gmail.com
-------------	--------------------------------	-------------------------------	------------	----------------------

The selection of teams from the Internal Hackathon was conducted by a panel of Judges and the judgment was solely based on standard evaluation criteria given by SIH2022.

| | 15. Miscellaneous |

To know more about SIH and get problem statements visit: <https://www.sih.gov.in>

IMPORTANT GUIDELINES :

- Form a team of 6 members. At least one female member in the team is mandatory for participation.
- In Round-I, you need to present your idea/solution in prescribed PPT format (**Max 5 Minutes**).
- For final round, you need to demonstrate your prototype/working model.
- Hardware category teams will have only Round-I for idea presentation.
- Certificates will be provided to all the participants.

**Last Date of the Submission
of Problem Statement:
07.03.2022**

**Software Category Round-I
(Pre-Qualifier Round): 12.03.2022
(10 am onwards)**

**Software Category Final Round
19.03.2022
(10 am onwards)**

**Hardware Category Final
Round 14.03.2022
(10 am onwards)**
